## EXTERNAL ESTEEM INDICATORS (SELECTED)

### Invited Contributions to Public Policy Debate

- 2004: I was invited to present a written submission to the House of Lords European Union Committee, Sub-Committee A, as part of their "Inquiry into the future financing of the European Union." This report and all submissions were published in March 2005 (HL62, 2004-05).
- 2006, October: I was invited to present a written submission to the House of Lords European Union Committee, Sub-Committee A, as part of their inquiry into EU own resources. I was then invited, in December 2006, to give oral evidence to the Committee. This report and all submissions were published in March 2007 (HL64, 2006-07).
- 2011: I submitted written evidence to the House of Lords European Union Committee as part of their inquiry into the "EU Financial Framework From 2014". This was published in April 2011 as HL Paper 125, the 13<sup>th</sup> Report of Session 2010-11. I then submitted further written evidence in December 2011, as part of their follow-up to the original inquiry.
- 2011, November: I presented an invited **keynote address** "The budget for the CAP Going Forward" to "Westminster Food & Nutrition Forum Keynote Seminar: Reforming the Common Agricultural Policy: implications for UK agriculture and rural areas".
- 2013-14, I was involved in the UK Government's Balance of Competences Review. I submitted written contributions to both the EU Budget and Common Agricultural Policy work. I attended one meeting in HMT for the EU Budget. For the CAP, I attended two meetings in DEFRA, on the second occasion delivering an invited paper on 'value for money of EU spend, and possible alternatives'.
