#### EDUCATIONAL BACKGROUND:

03/2016- Present, **Marie Curie Ph.D. Fellow, Stockholm Resilience Centre, Stockholm, Sweden**

- Ph.D. project title: "Modeling social system interactions with the local and global biophysical resource economy", as part of the AdaptEcon program

08/2006- 06/2008, **M.Sc. in Environmental Studies and Sustainability Science (LUMES), Lund University, Lund, Sweden**

- Master's thesis: "Is the circular economy ambitious enough? A look at incorporating PSS (product-service systems) into China's leapfrog development strategy"

08/2002- 05/2005, **B.A. in International Affairs, University of Colorado, Denver, Colorado, USA**

- Distinction honors; Dean's List 2003 and 2004; GPA 3.68

08/2000- 05/2002, **Western State College, Gunnison, Colorado, USA**

- Dean's List 2002; Academic Leadership Program Scholarship

#### WORK EXPERIENCE:

09/2009- Present, **Independent Sustainability Educator and Researcher, International**

- Give workshops and lectures on systems thinking and sustainability.
- Designed and ran seminars as part of the European Commission IBBP project for job creation through renewable energy in Uzbekistan.

12/2011- 06/2017, **Co-Director of the Post Growth Institute, International**

- Design and manage research and projects aimed at bringing about global prosperity in ways that go beyond the economic growth paradigm.
- Developed a post-growth macroeconomic model, called the Not-for-Profit World model and co-authored the book, *How on Earth*.

02/2015- 12/2015, **Adjunct Course Instructor, Hellenic American University, Athens, Greece**

- Taught the "Sustainable Planet" and "Environmental Management and Sustainability" courses.

09/2009- 03/2016, **Independent English Teacher, Athens, Greece**

- Design curriculum and lesson plans and use creative, participatory teaching methods for different ages and abilities.

07/2009- 06/2011, **Climate Advocate at the British Council, Athens, Greece**

- Co-designed and managed two major projects: "Urban Bloom" and "The Power of Ten".

09/2009- 08/2011, **Sustainability Educator for Athens Network of Collaborating Experts, Athens, Greece**

- Worked with festivals, expositions and other events.
